

The Cat Invento

Multi-Stander 3-1

The Cat Multi-Stander has been designed with the needs of the child and the therapist in mind. It provides a cost effective, simple to use, 3 in 1 stander, offering Supine, Prone, and Vertical standing.

The stander is constructed from high quality birch plywood making it not only functional but also aesthetically pleasing and child friendly. The surfaces are sealed with a non water soluble coating ensuring that nothing penetrates the wood and the surfaces can be sterilized with a simple disinfectant wipe down.
